

# EXAMPLE TRAFFIC CONTROL PLAN for COMMUNITY EVENTS (Typical)

For locations that involve more than one block, a site-specific traffic control plan will be required.

Traffic Control Devices needed to close one typical block:

- 6- Type I Barricades
- 2-  or  signs: 30" x 24" min. size

THIS EXAMPLE IS FOR A TYPICAL BLOCK CONFIGURATION.  
 IF YOUR STREET DOES NOT MEET THIS CONFIGURATION, YOU MAY BE REQUIRED TO  
 SUBMIT A TRAFFIC CONTROL PLAN WITH YOUR APPLICATION.
